|                                 | On a farm yard not enclosed    |

General Report Comments: There is one female puppy on a long rope. The puppy is in a fair condition but she has a skin problem. Water and shelter available for the dog. The owner said the reason why he needs to tie the dog is because his yard is not fenced. I educated him about the skin problem and gave him a warning that he needs to get treatment for the dog. Will recheck
