Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: I went to the property again. I spoke to Joe Pool. I asked her what happened to the puppy and she explained. She said that the puppy did not have any visible injuries, the accident happened on the Sunday and she could not get hold of dr Jen. She said the puppy was still eating and drinking water, but died during the night. I educated her on taking the dog to the vet. No other animals on the property.
