General Report Comments: There is an dog on the property that belongs to Sam.
He said that he is renting the house and is not allowed to fix fences or anything around the house.
He claims that the dog sleeps inside at night and during the day when he is not at home he ties the dog so that he does not go into the streets. The dog is in good condition. Water and shelter available.
He is on a short chain. I educated the owner and gave him a warning to put the dog on a runner or to extend the chain.
Will recheck.
