General Report Comments: Wilmpie did not comply to my warning and the dogs shoulder was till swollen so as the face. Wilmpie's wife was also there so they asked what will happen if they don't take the dog to the vet so I told them that I was going to lay cruelty charges against Wilmpie. They started shouting at me and then decided to surrender the dog. Adm # C8295. The female dogs body condition is fair and acceptable. I will re-check when in the area again.
