General Report Comments: Mrs Leybrand told me that the owner of the collie x Mr Vuyo told them that he is going to hit the dog with an age because the dog is biting his sheep. A few days later the dog came to their place covered in blood and it looked liked the dog has been hit with an age Mrs Leybrand recalled. They then took the collie x to vet where the dog was treated for its injuries and released the Leybrand families care. Mrs Leybrand phoned SAPS because she wants to open a animal cruelty case against Mr Vuyo the owner 9f the collie x. SAPS told Mrs Leybrand that she should contact the SPCA invoice case she did. I asked her who helped them at SAPS so that I can give them a call, Mrs Leybrand told me that constable September was the one who helped them at SAPS. I will give constable September to discuss case. Will follow up.
