General Report Comments: Danielle the owner let me on the property, I saw a brown female pitbull called KC on the property, she is 8 years old. Danielle told me that KC is on arthritis medicine and sometimes struggles to get up but otherwise she is doing fine. Danielle also showed me the medication KC is on and she told me that they are going to take KC to Panorama Animal Hospital in Cape Town at the end of the month for a second opinion. I will do a recheck.
