CHECKLISTS

General Report Comments: I phoned the complainant again and she gave me directions to where the dog might be. I followed the directions and stopped at a house where I spoke to a lady called Zanele and asked her if she had seen a dog with mange in this street and she said yes but she hasn't seen the dog today. I asked her if the dog has an owner and she said no the dog does not have a owner but the dog sleeps in everybody's yard. Lisakhanya phoned me again to say that they also haven't seen the dog called Bobby again and that she will let me know when they see Bobby again. I drove around to see if I could locate Bobby but I could not find him. I asked around around to find out who Bobby belongs to but nobody seems to take responsibility for the dog. Will follow up.
