General Report Comments: Lisakhanya called me again and told me that they have secured the dog in someone's property, I went to Middelpos and was met by Lisakhanya's sister who took me to where the dog Bobby has been located. Mrs Ghwebu who resides at this address told me that the dog does not belong to her but she gives him leftover food that's why he is always in her yard. I loaded Bobby in the SPCA bakkie because nobody seem to take ownership of the dog. I phoned Lisakhanya and thanked her for helping Bobby. The brown pitbull x male was admitted to the SPCA in Vredenburg. Refer to admission number C8062. Nfa until further notice.
