General Report Comments: Deon let me on the property. I saw 1x Africanis x male in good condition. Water, food and shelter is available. Deon told me that they had to take his daughter to the airport that's why they put Spike in the garage and that's why he was barking. Deon also told me that if they are not at home they can't leave Spike outside because he jumps over the wall that's only 1 meter high. Spike is playful and very loving. Nfa until further notice.
