General Report Comments: There is nobody at home. I could see 3 dog's. The one dog is on a runner and the other 2 dogs are roaming free. I could hear puppies but did not see them. The male dog that is on a runner is a bit underweight. The other 2 dog's are in a fair condition. I could see shelter for the male dog but could not see at the back of the house if there is more kennels. I left a warning for the owner to contact me and to provide the dog's with proper food everyday. Will Re-check
