General Report Comments: There are 2 dogs on the property. When I got to the address the complainant did untie the dog's from the short chains. The complainant is also feeding the dog's every day. The dog's are in a good condition. I did leave a warning for the owner to provide the dog's with proper shelter and to put them on runners. He also needs to keep the area clean where they are tied. Will Re-check.
