General Report Comments: Meisikind and the puppy are loose inside the property and Tosca is on a short static chain of about 2m long and I observed a collar on Tosca. Charley informed me that there is a property on her street that is a drug house and that property has a very dangerous Pitbul that has killed 2 dogs already so Charney said Tosca jumps over the fence into the street where these gangsters hang around with the Pitbul. Water, food and shelter observed. The body condition of all three dogs is fair and acceptable.
