General Report Comments: I spoke to the owner of the dog's Anna. The one dog is tied up to a short chain without any shelter water available for the dog. The other dog is roaming free. She said the one dog is tied because she bites the people in the street. I educated her and gave her a warning. She needs to provide the dog's with proper shelter and put the one dog on a runner. She also needs to get shoo-fly for there ears.
