General Report Comments: Water, food shelter and a collar observed. The dog is not thin as reported by the complainant. I phoned Anelda(complainant) and explained to her that there is a certain way of chaining a dog that is allowed by the law but the SPCA is opposed to the chaining of the dogs. She understood and informed me that later today she is going to buy a bag of food, tick and flea powder and deporting tablets. The dogs body condition is fair and acceptable. I advised Anelda to feel free to contact the SPCA if there is any suspected animal cruelty in the area
