REPORT

Access Granted By: Paulus Visser
Comment:
Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: Paulus told me that the dog has been put to sleep by the CVC vet because when they took him to be groomed and sterilized they found out that the dog has cancer. Paulus then decided it would be best to put the dog to sleep. I phone Kim at the CVC vet and she confirmed that the dog has been put to sleep. No animals on the property. Nfa until further notice.

ACTIONS
