General Report Comments: Leonard was not at home and there was no sign of the pitbull female on the property. I went Leonard's place of work to ask what he did with the dog and he told me that he sold the dog to someone in Vredenburg. I asked him for a address but he could not give me an address, I told Leonard that he must get the address and let me know so that I can go and check on the dogs welfare at her new home. Will follow up.
