| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** | Yard not enclosed      |

General Report Comments: There are 2 dogs on the property. Both dog's are on short chains without a collar. The one dog Autumn is underweight. There is only shelter available for Luna. I educated the owners wife Anna and left a warning for her husband. The dog's must be put on runners and provided with collars. They need to provide the dog's with proper kennels and dog food. Will Re-check in 7 days.

**ACTIONS**

Warning Issued 4317

**REPORT OUTCOMES**

Follow-up inspection to be conducted 2022-09-07
