General Report Comments: There are 2 dogs on the property they are roaming free in the yard. Water and shelter available for the dog's. Both dog's are underweight. The owner said she gave the last food for the dog's this morning. I educated her and gave her a warning to provide the dog's with proper dog food every day 2 times, and to deworm them. They need to pick up body condition within 14 days. I also gave her the option to surrender the dog's if she can't afford to look after them. Will Re-check
