General Report Comments: I saw 1x brown pitbull male on a running chain with a collar around his neck. Upon closer inspection I saw some sort of growth on the pitbulls private parts. I asked Romeo the owner about it and he told me that it is cancer because they had Chico at the vet when it started to grow. Romeo decided to surrender Chico because the cancer keeps on coming back. Chico was surrendered to the SPCA. Refer to admission C8089. Nfa until further notice.
