General Report Comments: Mrs Samuel's took me to the back where I observed 2x German shepherd males on 10 meter long chains with collars, both dogs are in good condition and water and food is available. The female German shepherd and her 4x puppies are loose on the property and also in good condition. Water, food and shelter available. Mrs Samuel's told me that the neighbor who complained about her dogs has personal issues with their family and it's been going on for nearly 2 years. No welfare concerns found. NFA until further notice.
