General Report Comments: The sick dog was in the street and I asked the people around. The showed me a house which they said is here the dog stay. The owner was not at home but there was people who rent there. They told me that the owner does not want the dog anymore so they surrendered the dog. I issued a warning and it was accepted by Nomthetho. The adm # C8262. I will go back to check as Nomthetho told me that Thandeka has another dog.
