| CONFINEMENT OF ANIMALS          | Free roaming - in property |                               |

General Report Comments: I saw 1x brown pitbull male roaming freely on the property, upon closer inspection I saw that the dog has a huge cancer growth hanging from the belly. I asked the owner if the dog are being treated for cancer and she said yes. The owner asked if we can't put the dog to sleep because he is suffering. The dog was surrendered to the SPCA. Refer to admission C10701. Nfa until further notice.
