| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** | Yard not fully enclosed |

General Report Comments: There is one female dog on the property. She is sterilized water and shelter available for the dog.  
The dog is on a short chain. I educated and left a warning for the owner to put the dog on a runner  
and to provide a collar for the dog's neck. Will Re-check
