General Report Comments: I saw 2x terrier x puppies on the property, the owner Wilnestia came out. I asked the owner if the puppies are receiving any medical treatment for the mange and she told me that they are using vuil olive. I told Wilnestia that the car oil does not work and that she must take the puppies to a vet. The owner told me that she does not have money and decided to surrender the 2x puppies. Refer to admission C10706 and C10707. No other animals. Nfa until further notice.
