CHECKLISTS

General Report Comments: I went to speak to Nico at the Bergrivier stasie silos about the incident regarding the pigs that's being killed in humanely. Nico told me that he caught one suspect on camera but he has taken the video evidence to the public prosecutor in Hopefield and has opened a case. Nico did not have any evidence on him as the video evidence that he gave to the prosecutor is the only evidence. I told Nico that I will go and talk to Charmaine the prosecutor on Hopefield about this case and will let him know what's happening. Will follow up.
