General Report Comments: I saw 1 female wired hair terrier on the property walking around and I spoke to the owner of the dog about the condition of the dog I also advised her to groom her dog's hair herself if she don't have money to do it at the dog, s parlor because I saw some hair needs to be cut of. I also gave her a education about how to care for her dog. Water and shelter was observed and the body condition of the dog is acceptable.
