Comment:
Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: When I arrived I phoned the owner she said she was in a meeting and she is not coming out of the house. I waited for a hour then she came to the door and said the bird Saartjie is doing fine but she is not allowing me to enter her property it is private property. I must get a warrant if I want to enter. Wil speak to the manager when she comes back and discuss.

ACTIONS
