CLEAN LIVING ENVIRONMENT	Yes

CONFINEMENT OF ANIMALS	On running chain

General Report Comments: The husky is an escape artist.
I arrived at the property and met with the domestic worker Mrs Alida Williams. She confirmed that she knows the owner Warren very well and that she is just helping out today to clean their place. She told me that I may enter and examine the conditions under which the animals are kept. I observed 3 dogs, 2 small breeds dogs, free roaming with access to water and shelter. 1 husky named Duke on a runner chain. The running line is more than 5 m long and the connecting chain is about 3 meters long. The dog has access to water and shelter. The dog appeared to be in good body condition.
I issued a warning to cut the grass in the living area of the dog and to remedy anti parasite to the dog for ticks and fleas because I saw the dog scratching himself yesterday. I gave the warning to Alida to give to Warren. In will do a follow up in next week.
