Re: Eye dog

ExternalInbox x

Langebaan Animal Care

to me

9:55 AM (13 minutes ago)

Good Morning Louise,

Please find the report from Langebaan Animal Hospital regarding Poppy who has the eye problem.

As noted they will be removing the eye on the 23rd August and hopefully Poppy will continue to have a good life ahead.

Thank you for your concern and wishing you a wonderful day.

Kind regards,

Carol
