Comments:	Angelo Van Wyk is the owner of the dogs and he was not at home . His father allowed me into the property and both dogs are on long static chains with collars. I observed shelter. The owner adhered to my warning and provided shelter for the male dog. The body condition of both dogs is fair and acceptable. I was given the owner's contact details and I phoned him. He asked me if I can't help sterilize the female dog. I will recheck.
