Comments:	Angelo was not at home and I spoke to his mother in law who identified herself as Caitlin. Both dogs are on long chais with collars. The body condition of both dogs is acceptable. Angelo wants to sterilize the female dog and I advised him about the steri fee and he agreed to pay it. I phoned Ally and she informed me that she wanted to ask Dot how many dogs she is bringing on the day of the steris. Ally informed me that the dog can only be sterilized on the 15th of May. I wanted this dog to be sterilized as soon as possible because the owner wanted to breed with her and I convinced him to have the dog sterilized.
