Comments:	Mr Jantjies contacted me via whatsapp to ask if I was at his place today. I told him that the dog needs to be taken to a vet as the condition has worsened. He told me that he has a family to take care of and he does not have money. I told him that if he cannot afford to look after the dog that he can sign it over to the SPCA. He refused and said the dog is eating so then in his opinion the dog does not need veterinary care.
