Comments: I went to the magistrates court in Piketberg to obtain a warrant to remove the dog from the premises at 26 Kerk Street, Wittewater because the owner has refused to seek veterinary treatment for the dog named Spotty with th injured tail. I was successful in obtaining the warrant. Bergrivier law enforcement officials went with me to the address to execute the warrant. On arrival the owner Stiena Peterson who is the owner of the property refused to give me the dog,whereby I had to remove the dog myself. Mrs Peterson told me that I must talk to her son Danny Peterson because he is the owner of the dog. I explained to Mrs Peterson that according to the APA she is in control and custody of the dog and the dog is on her property which make her the owner of Spotty. Spotty was was seized and loaded into the Spca vehicle where I will take him to the Village Vet in Darling to be looked at. Will follow up.
