General Report Comments: Re-check there was nobody at home. The dog's are all in a fair condition. Water and shelter available for the dog's. The one male dog is tied next to the house on a short chain without a collar around his neck. I left a warning for the owner to put the dog on a runner or longer chain or to remove the dog from the chain. He also needs to put a collar around the dog's neck. And he must clean the yard.
