General Report Comments: I was successful in obtaining a warrant from the Vredenburg magistrates court to go do an inspection at the house on the corner of Adelaar and Appie street in Witteklip Vredenburg . I went to SAPS Vredenburg and spoke to Captain Roelf and asked him for his assistance in executing this warrant because the people on the property are not nice people. We went with 3x SAPS vehicles to this address. The owner Randall Joos came out and let us in,at first he was rude and threatened myself and my colleague but calmed down while we started talking. I inspected the whole property inside and out and only found 1x black pitbull male that is underweight and has severe mange. Randall had no proof that he is treating the dog or that he has taken the dog to the vet. Randall decided to surrender the pitbull called Boesman. Refer to Admission D1749. Nfa until further notice.
