General Report Comments: I observed a brindle male terrier cross on a short ropes less than 2 metres long. I asked the neighbour who the owner is and they told me that it was Leandra Owies. They told me tthat she works at Swartland Winery. There was no water or shelter available. The dog is very thin. I then went to Swartland Winery and the security called Leandra Owies. I issued her with a warning that she signed. She told me that it is her brothers dog who is no longer living there. I told her that it is now the owner as she is in possession and in charge of the dog.
