General Report Comments: I saw 1x brown female terrier x on a running chain without a collar. I spoke to the owner Adonis and he told me that Missy keeps on breaking her collars. I educated Adonis on how to use a hose pipe as a collar. Water and shelter is available. Body condition is acceptable. I also saw 1x black 8 week old puppy on the property. The puppy is also in acceptable condition and roaming freely. I issued a warning to provide the dog Missy with a collar. Will follow up.
