General Report Comments: I saw 1x Australian sheepdog x male on a running chain without a collar . The dog Bubbles is in good condition. Water,food and shelter is available. Ricardo the owner of the dogs mother came out. I asked her why the dog does not have a collar and she told me that Bubbles keeps on breaking the collars. I educated Mrs Petroon how to use a hose pipe as a collar then Bubbles won't be able to break it and it will also prevent injury to the dogs neck. Will follow up.
