General Report Comments: Re-check Mrs Oto said they took the dog to the vet in Malmesbury at Groenkloof. She said the vet said that there is nothing wrong with Lucy but het 2 Rottweiler puppies did get in tik so they are still with the vet. Lucy was walking around and in a fair condition. I drove away and then I phoned the vet. They confirmed that the puppies is there but they did not see Lucy at all. I then went back but the wife was not there and she did not answer her phone. The complainant did send me the affidavit. Will speak to the manager
