General Report Comments: The manager Caroline took me to the inspection. They do not have problems when the electricity goes off. They have monitoring motion in the houses for the temperature there people working night and day shift. She said they cull if they need to do emergency slaughter. The chickens are kept in cages water and feed available. The chickens are in a fair condition. There are chickens from 1 day old till 17 weeks. Then they go to laying farms. Will Re-check again
