General Report Comments: Ebrahim the owner let me on the property to meet the 1 year old great Dane Malik. The dog was loose on the property and in acceptable condition. I asked Ebrahim if he confines the dog sometimes and he told me yes only when his grand children are there because Malik is still a puppy and wants to play with the kids but he is to big. Ebrahim took me to the enclosure where he keeps Malik when his grand kids are there,the enclosure is big and there is plenty of space to move around. Water,food and shelter is available. No welfare concerns noted. Nfa until further notice.
