General Report Comments: I went to the court in Malmesbury and was successful in obtaining a warrant. I went to the property in Chatsworth together with law enforcement officers from Malmesbury. The male dog was still lying in the same place as the day before. He could not get up. I picked him up and put him in the Spca bakkie. The female boerboel was aggressive and had to catch her with the catching stick. I loaded her into the Spca bakkie and took them to the Malmesbury vet for treatment. I got an OB nr. 734/02/2023
