General Report Comments: Mr Clive didn't adhere to my warning and the house is more like a rubbish dump. The house is full of human and dog feces and stinks. Water observed. The dog is thin. I managed to obtain a warranty and proceeded to T'kaaibos in the company of Saldanha Bay Law Enforcement officer Mr Isaac Sifiniza. I called Mr Jaco who is the owner of the property and he came. Mr Clive was not at home when I arrived but the moment I opened the door he appeared from the bush which gave me the impression that he was hiding. I informed and showed him the warranty and I proceeded loading the dog named Shebby into the SPCA bakkie. I gave him a copy of the warranty and another one of the seizure notice. Mr Clive informed me that he does have two cats but I didn't see the cats as the house is surrounded by bushes.
