General Report Comments: The dog is now on a running chain with a collar. I observed shelter and water. At first there was no people when I arrived and one neighbor informed me that Cardo works at HT Auctions and I went there. I met Cardo and he informed me that he can not afford to look after the dog so he gave the dog to Leonie. I went back to the house and met Leonie who admitted that she is the new owner of the dog and will improve the dog's welfare. I advised her that she was not only inheriting the dog but the problems around the dog's wellbeing also and she informed me that she was aware. I issued her with a notice to comply
