General Report Comments: I saw 1x black terrier x male with severe mange roaming in the streets,I followed the dog home and spoke to the owner Wayne about the condition the dog is in . Wayne told me me that they have dipped the dog but nothing seems to help for the mange. I issued a warning to get the dog to the vet. Wayne then decided to surrender the dog as he does not have money for the vet . Refer to admission number D3536. No other animals on the property. Nfa until further notice.
