General Report Comments: Mr Coetzee the owner of the small holding let me on the property to do an inspection. I saw 1x chesnut strawberry roan mare and 1x chesnut stallion. Both horses are extremely underweight. Mr Coetzee told me that the horses feed is almost finished and that he is waiting for Desmond Rhodes the guy who farms next to him to buy him some Lucerne bales for the horses. There was a little bit of feed for the horses in the feed room, but the food is not adequate. Mr Coetzee also told me that the mare belongs to his nephew who works in Cape Town. Water and shelter was observed for the horses. I issued a warning for vet treatment and adequate horse food. Will follow up.
