General Report Comments: Mr Coetzee was not on the farm, Desmond who is farming next to Mr Coetzee gave me access to the farm. Desmond told me that he is helping Mr Coetzee. In the feed room I saw 2x Lucern bales, 50kg percentage feed for horses and 30 hay bales. Desmond also showed me the deworming paste they got for the horses. Both horses are up and going. The food they have is enough for 3 weeks. I told Desmond that I will do a recheck after 3 weeks and by that both horses should have gained some weight and that there should also be food available. Will follow up.
