General Report Comments: Jacobus let me on the property where I observed 1x German Shepherd puppy that's about 6 months old. The dog is in good condition and is roaming freely on the property. Jacobus told me that they are keeping the puppy in the braai area in the evenings because their other German shepherd puppy was poisoned. The braai area is huge and there is a lot of space for the puppy. Water, food and shelter is available. No welfare concerns observed. Nfa until further notice.
