|---------------------------------|-------------------------------------|------------------------------------------------------------|
| WATER AVAILABLE                 | No ***                              |                                                            |
| ADEQUATE SHELTER AVAILABLE      | Yes, but not adequate ***           | One dog uses an old washing machine and the other one uses |
| ADEQUATE SPACE AVAILABLE        | No ***                              | The dogs are on short chains                               |
| CLEAN LIVING ENVIRONMENT        | No ***                              | The property is dirty with a lot of rubbish                |
| ANIMALS IN GOOD CONDITION       | No ***                              | Both dogs are thin                                         |
| VETERINARY PROBLEMS / HEALTH CO | Yes ***                             | Both dogs are thin                                         |
| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** | The property is not properly fenced                        |

General Report Comments: Nothing has changed as both dogs are still thin, without proper shelter, without water, on short chains and the living environment is dirty. There was no people at home and the notice to comply that I issued I left it on the gate poll. I gave the owner 3days to rectify the problems that I observed.
