General Report Comments: Inspector Manager Louise van Zyl went with Patrick to the property. The owner Felicia was at home and we again advised her that she can surrender the animal to the SPCA. She then told us that the dogs are hers and she can keep them as she likes and that they have been standing like that for 5 years. I will apply for a warrant to remove the dogs as they are in a bad condition and the owner does not want to comply or take advice or help.
